

CASE STUDY 08 / HOSPITALITY & TRAVEL

From manual rosters to a housekeeping view that defends itself

Web Apps • Power Automate • SharePoint

A boutique hotel group ran housekeeping on paper rosters and group chats. A web app with rooms, status, housekeeping assignments and a manager dashboard shaved hours off every day.

2 min	Average room status update
+18%	Rooms turned over before 3 pm
0	Lost-shift disputes

“Housekeeping stopped asking the front desk what was left to do.”

General Manager, hospitality client | Stack: Room status, shift log, mobile-first
